4. Next step

Our fixed price for this group: US\$750 to 1,500 to end the group letter, or US\$2,500 to add a chapter and keep it, half on order and half on delivery. We prepare the Form 15644 package from your chapter list and records; a licensed reviewer, an enrolled agent or exempt-organization attorney, checks every package before your officer signs; your organization faxes it. Tell us whether you plan to add a chapter or end the letter, and we confirm the price in writing.
